

Personal Track Safety Recertification including DCCR (PTS Recert)

Overview of the Course

This course is intended for people who already hold the PTS competency on sentinel and is aimed at anyone who needs to recert their competency.

Course Details

COURSE LOADING 12 learners per course

COURSE DURATION 1 day

COURSE CONTENT

The refresher course is aimed at existing PTS & DCCR holders and will consist of a reassessment of knowledge in relation to Personal Safety on or near the line.

COURSE DELIVERY MODEL

Classroom and practical sessions.

PRE-REQUISITES & REQUIREMENTS

All learners must have a PTS on the sentinel system.

Completion of the Course

On successful completion of the PTS recertification, the sentinel system will be updated with the competency. This must be completed again in 2 years.

“

“Good trainer, easy to understand and felt I could ask when I was unsure of the topic.”
